HELP SHAPE THE FUTURE OF CULPEPER COUNTY PARKS AND RECREATION!

As you may be aware by now, Culpeper County Parks and Recreation Department and PRO’s Consulting have launched an initiative to develop a “Master Plan” with your input. The Master Plan will provide the County with direction and action steps to continue the development of a comprehensive park system and recreation programs that meet our citizen’s needs. Please continue to watch the county web site [www.culpeperRecreation.com](http://www.culpeperRecreation.com) and other media sources for information on upcoming public meetings. ETC Institute, an independent Kansas based firm, recently mailed surveys to randomly selected households throughout the County. If you miss any of the previously mentioned opportunities, you may refer to [www.PlayCulpeper.com](http://www.PlayCulpeper.com), a crowd sourcing platform where you can complete a survey and keep aware of the Plan’s progress.

A big KUDO’S goes out to the **Town of Culpeper Public Works** for assisting the County Parks and Recreation Department with preparation for the upcoming Summer Youth Basketball program. The Public Works crew worked hard on repainting the much faded basketball lines barely visible on the court. The court lines designate where specific activities or restrictions take place during a basketball game. This is extremely important when teaching young players the game.
